One of the "must-go" destinations for hikers, Oze is known as the paradise of beautiful flowers. An area of 8,690ha (106 times wider than Tokyo Disneyland!), is covered with more than 300 different kinds of plants during the hiking season. This massive area stretches over three prefectures and its scenic beauty which includes marshes, ponds, ravines, forests, and mountains delights visitors. We are going to enjoy 2 days of hiking. Approximately 3 hours of hiking on the 1st day, stay and relax at the mountain hut, then 6 hours of fun hiking on the 2nd day! During this time of the year, marshes are covered with daylilies and they form the marsh into a yellow carpet. This is the best season to see various flowers at Oze.
 *To conserve the nature of Oze, you cannot use shampoo, rinse/conditioner, soap, toothpaste/mouthwash and detergent in the Oze area.

*Accommodation is a mountain hut, NOT COMFORTABLE HOTEL.
 Room may be shared by all the hikers regardless of gender.
